

## Activity Instructions

Activity Name: Can We Build It Together?

Study: Buildings

Objective for Learning: Obj. 14a, 7a,

The following supplies are needed for this activity:

Paper: White, brown,  
10 craft sticks  
Crayons  
Glue

### Instructions:

1. Gather materials provided.
2. Have child review different buildings. (see links ex. below)
3. Have child pick a building he or she would like to build.
4. Ask why, how, and what questions.
5. Discuss proper glue usage. Dot/dot not a lot.
6. Have your child count the craft sticks touching each one and give total.
7. Ask your child to create the building of his or her choice.
8. Optional: Add color w/crayons/people/ animals from a magazine. (Discuss scissor safety)
9. Complete and send a picture to your teacher of your work.

### Questions

How are you going to make your building?  
What are you going to do with the craft sticks?  
How are the craft sticks going to stay on the paper? Show me.  
Why did you want to build this structure?
