

Activity Instructions

Activity Name: Building with Boxes

Study: Buildings

Objective for Learning: Obj: 20a-b

The following supplies are needed for this activity:
Old boxes, shoeboxes, food boxes, juice boxes, any kind of boxes

Instructions:

1. Find some boxes from around the house.
2. Tell your child that we will be building with boxes.
3. Start counting the boxes you found. Touching each box as you count. Immediately after you child counts the boxes. Ask your child how many boxes did he or she count?
4. Have your child stack the boxes on top of each other.
5. Increase the number of boxes so your child can count higher.
6. Take a picture and send to the teacher.
