

Activity Instructions

Activity Name: Number Cards

Study: Tubes & Tunnels

Objective for Learning: Math (Counting)

The following supplies are needed for this activity:

1. Paper or cardboard
2. Markers
3. Buttons, cotton balls, or small rocks

Instructions:

1. Have your child sit at the table or the floor
 2. Show them a card with a number on it, then
 3. Turn the card over and ask them to count the dots, then
 4. You can show the card again only the number side, then you say "This card has a 4 on it. Let's turn it over. Can you put a button on each dot?"
