### Instructions

**Step 1:** Listen to the story

**Step 2:** Have a conversation with your child about how we can greet each other without touching. Ask them about who they wish they could give a hug to? Who are their friends they wish they could hug?

Ask them how would they feel when they cannot touch someone?

**Step 3:** Give your child a piece of paper and markers or crayons. Have them draw you a picture of them with their friend. Put the picture in envelope and help your child write their friends name on the front. If the friend is at school send to your child's Teacher and we will deliver the letter.

Share the picture with your child's teacher. You can write on the picture (child's name) wishes they could hug (insert friends name).
