

## Activity Instructions

Activity Name: How Many Bounces

Study: Balls

Objective for Learning: 5, 7a, 11a, 20a

---

The following supplies are needed for this activity:  
**balls**

Instructions:

To help increase your child's hand eye coordination, practice bouncing the ball up and down while counting the number of times the ball bounces without a miss. See who can bounce the ball the most times without missing a bounce.

Do the same thing tossing the ball count the number of catches and misses and determine a winner by the person with the greatest number of catches
