

Activity Instructions

Activity Name: Watch Me Throw the Ball

Study: Balls

Objective for Learning: 7a, 7b

The following supplies are needed for this activity:
4 pieces of paper

Instructions:

1. Make paper ball. Rip the paper in half or use the whole piece.
 2. Ask your child if they think the paper balls will bounce?
 3. See if they bounce
 4. Ask your child what they remember about what balls are filled with? Remind them about the air we fill balls with that helps them bounce.
 5. Throw the balls in the air and see what they do? Gravity will make them fall. Remind your child about gravity.
 6. Set up baskets, pots, trashcans, buckets and let your child practice throwing the paper balls into the containers.
