Many aspects contribute to choosing your favorite clothing. Things like color, size, texture, smell, pattern, print, and memories all contribute to our choices.

1. Go with your child to their room and have them look through their clothes and select their favorite pieces.
2. Have your child lay the clothes out on the bed.
3. Take a picture to share with your child's teacher.
4. Discuss with your child what they selected and ask them why each piece is their favorite.
5. Ask descriptive words about how the fabric feels, what the patterns look like, do the clothes smell the same, can they remember a time when they wore the clothes that they enjoyed.
