

Activity Instructions

Activity Name: Identify Tools

Study: Buildings

Objective for Learning: Obj. 28

The following supplies are needed for this activity:
None

Instructions:

1. Discuss safety guidelines when using tools at home with your child.
 2. Write down the different tools shown on the video.
 3. Search your house for buildings/constructions tools.
 4. Identify each tool you found. (hammer, pliers, drill, screwdriver, bolts, nuts, etc.) Did you find any of the tools on the video? Put a check beside those tools.
 5. Have your child describe the tools. Size? Colors? How are they the same or different? Describe how the tools look/feel.
 6. Count how many tools you found.
 7. Which tool is your favorite?
 8. Continue to ask questions to expand your child's learning.
 8. Send a picture of your child holding a tool to the teacher.
- **Remember to write down your child's responses.
-
