

Activity Instructions

Activity Name: Measuring with Yarn (Shortest to Longest)

Study: Buildings

Objective for Learning: Obj: 22 & 20

The following supplies are needed for this activity:
Yarn, Paper, Pencil, Glue, Scissors

Instructions:

1. Tell your child that we are going to measure yarn from shortest to longest.
2. Gather the pieces of yarn.
3. Line them side by side in a line.
4. Write the words smallest to largest on the bottom or top of the paper.
5. Ask your child to put the yarn in order from the smallest piece to largest piece.
6. Have your child glue the pieces down on the paper.
7. Ask your child to point to the longest piece, then the smallest piece.
8. Ask your child to brainstorm something that is long and short.
9. To continue learning, ask your child to count the yarn pieces touching each one and give the total.
10. See second link below for example.
11. Send a picture to your teacher.
