

Activity Instructions

Activity Name: Sugar or Salt Drawing

Study: Buildings

Objective for Learning: Obj: 12a

The following supplies are needed for this activity:
Sugar or salt, flat pan with sides

Instructions:

1. Parents talk about safety and tell your child this is not a tasting activity especially if you use salt.
 2. Help your child pour some sugar or salt onto a flat pan with edges. (less mess)
 3. Ask your child what happens when he or she put your fingers in the salt or sugar?
 4. Ask your child about the texture? Ask your child can she smell anything?
 5. Have your child make shapes and letters in the salt or sugar with his or her fingers.
 6. Ask your child to help you make your name.
 7. Talk about what you made together.
 8. Send a picture to your teacher.
