

## Activity Instructions

Activity Name: Make a Snowman

Study: Balls

Objective for Learning: 7a, 7b, 12a

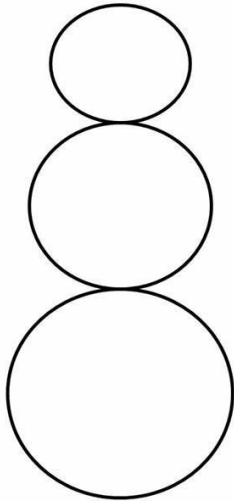

The following supplies are needed for this activity:

Blue construction paper  
Cotton balls  
Googly eyes  
Glue  
Pen/crayon

Instructions:

- Provide your child with verbal instructions, 1 step at a time, have them draw a large circle on the bottom of the paper, draw a slightly smaller circle above it, and a smaller circle above it. They will be making the shape of a snowman if your child is not developmentally capable of drawing the shape you may assist your child.

- Pull cotton balls apart and glue them in the circles.
- Glue googly eyes on the snowman and draw a face.
- Let dry
- Discuss the texture of the snowman. Discuss the season you can create a snowman and if you have ever made a real snowman outside. Expand on learning by talking about warm and cold, winter, what would a snowman wear to keep warm.
