

Activity Instructions

Activity Name: Intro. to Buildings

Study: Buildings

Objective for Learning: Obj. 9 - 10

The following supplies are needed for this activity:
None

Instructions:

1. Have your child recall the different buildings in the video.
 2. Write down the different buildings shown on the video.
 3. Go outside and look for buildings.
 4. Name the buildings you see. Put a check beside the building you remember seeing on the video.
 5. Have your child describe the buildings. Size? Colors? How are they the same or different? How do you think the building was created?
 6. Have your child count the buildings.
 7. Continue to ask questions to expand your child's learning.
 8. Send a picture of your child standing beside a building to the teacher.
- **Remember to write down your child's responses.
